Margo-Nick is out of the Country this week and back in office on Monday . I am out of the office until April 19. Your letter refers to a determination by EPAAttorney Burke made after the after the April 4 conference. We have never seen any such determination. Moreover I thought the determination needed to be approved by the RA who you advised Nick was not available until April 11.

So as of now we are not aware of the RA's determination.Nick advised me that the conference went well and believed that the EPA was prepared to make certain reasonable accommodations to our client's concerns.

Kindly clarify this situation ASAP. Joel.
